The Keiser family, which owns Bandon Dunes, created this scholarship in 2020 to honor Jim Seeley, the late executive director of Wild Rivers Coast Alliance (now known as Bandon Dunes Charitable Foundation). Each year, the Jim Seeley Memorial Scholarship is awarded to two high school students from Oregon's South Coast—and covers the entire cost of their educations until they graduate!

Scholarships like the Jim Seeley Memorial, in focusing on large awards for aspiring students from a rural area of Oregon, exemplify our shared commitments to making a postsecondary education possible for every Oregonian.
