# The mission of Oregon Community Foundation is to improve lives for all Oregonians through the power of philanthropy.

Since 1973, Oregon Community Foundations have been helping individuals and organizations create lasting legacies for the benefit of Oregonians. Through the power of philanthropy, we have helped create and sustain programs that improve lives in every corner of the state. From supporting education and workforce development to providing support for the elderly and the disabled, our foundations have made a difference in the lives of countless Oregonians. We are proud to be part of the solution to the challenges we face as a state, and we are committed to continuing our work to improve lives for all Oregonians through the power of philanthropy.
